HOUSING AUTHORITY OF THE CITY OF SAN LUIS OBISPO

August 17, 2023

CALL TO ORDER

The Regular Meeting of the Housing Authority of the City of San Luis Obispo was called to order on Thursday, August 17, 2023, at 12:04 p.m. at 997 Monterey St., San Luis Obispo, by Chair Ashlea Boyer.

ROLL CALL

<u>PRESENT:</u> Commissioners Boyer, Jeffries, Odenthal, Shower, Souza, Steinberg

ABSENT: Commissioner Crotser

SCOTT Collins, Michael Burke, Michelle Pedigo, and Vicky Culman

PUBLIC COMMENT:

None.

EXECUTIVE DIRECTOR'S REPORT:

Scott Collins, Executive Director, reported that we received the anticipated TCAC funding for Maxine Lewis, Bridge Street, and Cleaver & Clark Commons, the Grover Beach project in partnership with PSHH, People's Self-Help Housing.

12:06 P.M. Commissioner Crotser now present.

Paso Homekey has completed renovations. There are currently 30 clients housed, and 30 more will move in during the month of September. A grand opening event is to be determined.

Demolition started on Leff Street. The site served us well for 50 years. It was built in the 70s when just 20 staff members worked there. Now we have 80 employees serving nearly 5,000 residents county-wide with expanded programs and partnerships. (Commissioners and staff discussed saving a plaque that had been installed on the building for a client who fell prior to the ramp being built.)

We applied for and were approved for Affordable Housing Funds from the City of Arroyo Grande for our Oak Park project.

Discussions are underway with the City of San Luis Obispo regarding funding for our Bridget Street project. Escrow was extended for Mesa Trails in Nipomo; we hope to close on Monday.

A class and compensation study for our employees is underway to determine how we rank compared to other agencies.

We are looking at ways to decarbonize our older projects. Newer projects are now all electric. There appears to be lots of funding available for new improvements; we are looking into how to harness those funds.

Supply chain issues have affected Morro Bay and Toscano because they are all electric. Morro Bay is three to four months behind schedule. Lease-up should begin in December for both properties with January or February move in dates.

We are trying to install a banner to draw customers to the businesses near the Anderson Hotel construction site, but there have been some problems in completing that.

Ken Litzinger and Sandra Bourbon are meeting with Congressman Carbajal at 860 on the Wye. The meeting was originally scheduled for 10:00 but had to be moved to 12:00. Topics of discussion include CDBG funding for Maxine Lewis and the reserves appropriated by HUD.

I enjoyed playing Yahtzee with the seniors at Atascadero Senior Housing yesterday.

The City of San Luis Obispo will be adding a four-way stop near the Anderson to slow traffic.

Executive Summary Housing Choice Vouchers ("Section 8")

SEMAP Report

 The closing for PIC was successful for the month of August and the SEMAP report is attached.

HOTMA Update

- HUD has published a list of discretionary policies "This chart is meant to help PHAs think about the policies they need to set in their Administrative Plan. The information provided here is subject to change, pending the final PIH Notice implementing HOTMA 102 and 104."
- Staff is using this list of discretionary policies to establish what HASLO "may" want to implement in the Admin Plan, versus the "musts" that will also be required by the new regulations.
- We are attending multiple training sessions hosted by Nan McKay in the month of September to receive their guidance and recommendations for best practices.

Voucher Funding Update

- No updates to report at this time.
- Attached graphical analysis of average family income, average rent to owner and average HAP shows the predicted results through Sept 2023. For the first time in a very long time, we may see average HAP/voucher decline as rent to owners stay flat and average family income continues to rise

Emergency Housing and Mainstream Vouchers

- We have had some turnover in the emergency housing program vouchers and are reaching out to applicants to lease up approximately 10 vouchers. The deadline for leasing up new applicants is September 30th, 2023. After that date, this becomes a declining voucher program – participants are still able to move between units but if they forfeit or lose their voucher, it cannot be reissued to a new applicant off the waiting list
- We will continue to issue mainstream vouchers as there is turnover in participants in the mainstream program.

HUD FMR's (Fair Market Rents)

- HUD published the 2024 FMR's at the end of August. The effective date of the FMR's is
 October 1st and PHA's have 90 days to implement the new rents into their payment standards
- The FMR's showed a 10.7% increase over the prior year
- The required range for payment standards is 90-110% of FMR's and our current payment standards are within this range. Therefore, there is no mandatory requirement to update the published payment standards
- o Under our current funding parameters, we will not be implementing any changes at this time

PROPOSED OPERATING BUDGET HOUSING CHOICE VOUCHER PROGRAM FYE 9-30-2024

BACKGROUND

The Housing Choice Voucher (HCV) program administers 2,900 vouchers in the county of San Luis Obispo. The program receives HAP funds that are used to pay a portion of participants' rents in the open market. HASLO receives an administrative fee for each assisted participant, which funds program operations.

Vouchers – Unrestricted

The Voucher program has outperformed budget through June 2023. This is partially due to increased administrative fees earned for vouchers that are leased up. Our budget projects used an 88% proration factor. However, HUD is providing 89.5% of the fees earned. We were also awarded additional Mainstream vouchers, which comes with admin fee funding, and we have kept leasing higher than anticipated in the budget.

Recent notifications from HUD indicate that admin fee prorations would be approximately 97%. We've assumed 95% for the first three months of the fiscal year, then decreased it to 87% for the remainder of the year due to uncertainty with the federal budget.

The amount awarded for the Resident Opportunity & Self Sufficiency (ROSS) grant increased in 2022 and we expect that to continue in 2024. This grant covers salaries for the Family Self Sufficiency program. These salaries would otherwise be paid from our admin fees, so this grant helps our admin fees pay for more housing specialists and housing assistants to keep the voucher program running smoothly.

Salaries have increased in the 2024 budget. We have the same number of positions in the budget, however past COLA increases have increased the overall salary budget. We've also assumed a 3% COLA for all employees in the coming year, plus a 3% placeholder for potential increases related to the salary survey that is in process.

We've included increased training in this budget. HUD has released guidance on several large programmatic changes and staff training will be needed.

Unrestricted cash and investments remain strong at close to \$5M. The HCV program has no external debt.

Vouchers - Restricted

Much uncertainty exists for the 2023-2024 Federal Budget and the funding levels that HUD will receive for the Housing Choice Voucher program. It is very likely our final funding numbers will not be received until well into the fiscal year.

HUD's 2023-2024 Fair Market Rents for San Luis Obispo increased by 10.7%. In a year where sufficient HCV funding is available, we could anticipate receiving a similar inflationary increase to our

funding. However, because of the substantial uncertainty, we are assuming a 4% inflation increase for our Housing Assistance Payment (HAP) funding. Our goal is to keep our lease up at a 98% or higher utilization rate. However, this is directly dependent on the funding received.

At the initial drafting of this budget, we anticipated starting the 2023-2024 fiscal year with a very small amount of HAP reserves due to HUD expectedly taking back over \$672,000 of HASLO's reserves. Now we have learned that HUD has corrected this error and will not be taking back any of our reserves for this fiscal year. This means we will have funds to cover the negative cash flow shown on the "Restricted" budget. Keeping our leasing high and using accumulated reserves helps future funding and ensures we can continue to add clients to the program. These reserves also help us weather the uncertainty around fund award amounts.

We have applied for set-aside funding from HUD in several categories, but are waiting on HUD to award these funds.

In 2023 we received additional awards for Family Unification Program (FUP) and Mainstream vouchers. We are in the process of applying for additional Veterans Affairs Supporting Housing (VASH) vouchers.

PROPOSED OPERATING BUDGET LOCAL AUTHORITY FYE 9-30-2024

BACKGROUND

Local Authority (LHA) is the non-HUD/unrestricted arm of the Housing Authority. Local Authority has three core lines of business: owned rental property, property management, and project development. Rental property consists of 38 owned apartment units and 1 rental home. Local Authority provides property management and maintenance services for all of our affiliated non-profits, tax credit, and HUD Multifamily properties. Local Authority also serves as the development arm of the Housing Authority and is currently active in developing a number of projects.

BUDGETS

All of the budgets assume a Cost-of-Living Adjustment of 3%. We have also included a 3% placeholder for anticipated salary increases from the results of the salary survey that is in process. We don't yet have details on which positions will require an increase. We anticipate providing updates and recommendations to the Commission in early 2024.

Rental Property

LHA's rental properties, led by our Parkwood property, continue to generate solid cash flows and have strong demand as units become available. Parkwood is restricted to those earning up to moderate income. This has provided HASLO flexibility to provide housing for those whose income exceeds the limits for Tax Credit properties. This housing serves a critical need in our community.

The budget for income is higher than the prior year due to an increase in the Section 8 rents at the property. Since this property is not subsidized in any way we've started increasing the Section 8 rents to be in line with what we pay other landlords in the community. Vacancy loss varies; however, we've budgeted at 2.12% of gross rents based on the history of the last three years.

We've budgeted for flooring replacement and turnover repairs to go along with the vacancy rate. We expect a healthy 38% profit margin in 2024.

Property Management

Property management currently manages approximately 900 housing units, with several new developments being added in the 2024/2025 fiscal year including, Toscano, Rockview (Morro Bay), Anderson, and Shell Beach Senior. The primary sources of income for this segment are management fees and work order fees. Management fee income continues to grow as new units are built and added to the portfolio.

When HASLO acquired and placed Paso Homekey into service, it was quickly clear that supportive housing staffing was critical to the success of this homeless "housing first" project. Many of the State funding opportunities now require "housing first" units to be competitive. Both the Anderson Hotel and Maxine Lewis will require extensive supportive housing services and staffing. To meet this need, HASLO is investing significant resources into the creation and establishment of a supportive housing department. Included in this budget is funding for a supportive housing manager, and 5 supportive housing staff.

We received a grant from the county that has been covering some of these salaries. However, these funds are competitive and may not continue. We have found supportive housing to be a very important program across all our properties, and we are looking into other funding sources for supportive housing. A large portion of supportive housing salaries will be allocated to Anderson Hotel and Maxine Lewis once these projects are placed into service. Until that time, property management income will cover these costs. As a result, we are projecting cash flow to be just above break-even for this year. Should there be a budget shortfall, we would utilize reserves and/or cash flow from the rental property segment.

Maintenance salaries have increased with the addition of staff; however, those costs are reimbursed by the property that the maintenance staff work on.

<u>Development</u>

LHA Development is very active in building and developing affordable housing projects. This year, we have received tax credit awards for three of our projects, and also added new projects to the development pipeline.

The decrease in budgeted grant funds is due to wrapping up the work on the Paso Homekey project and not a reflection of a slowdown in development. These funds were "pass-through" funds going directly to the project.

We anticipate receiving developer fee payments from RAD 175, Willow Walk (Nipomo), Toscano, Morro Bay, Bridge Street, and Maxine Lewis (Orcutt Road). We also plan to close on and be reimbursed for the significant cash investment for Maxine Lewis and Bridge Street. The negative net cash flow reflects funds this segment will be spending to build the new HASLO offices. This will partially be reimbursed from the other segments that will be contributing to the office.

Balance Sheet

Cash and investments are projected to be strong ranging from \$7.6 million to \$10 million for the 2023-2024 fiscal year. Current assets include over \$9 million invested in current and future projects.

Current liabilities owed to 3rd parties total less than \$500,000, compared to a very strong current asset balance. The Notes Receivables from various projects will continue to provide annual cash flow from tax credit projects.

PROPOSED OPERATING BUDGET LAW APARTMENTS FYE 9-30-2024

BACKGROUND

Law Apartments is a 9 unit family project. This project is subsidized by HUD as a Multifamily complex. Law Apartments is in a very desirable location, and historically has had very little turnover.

BUDGET

We did not include a rent increase in this budget. We were successful in getting a fairly significant rent increase two years ago. Due to COVID and staff shortages we weren't able to complete all the maintenance projects anticipated in the budget. The current rents are sufficient for current operations and to catch up on those projects. Many of those maintenance projects have been carried over into this budget, so there is no significant change to the maintenance contracts budget. The property has healthy reserves to cover any unexpected maintenance items and make improvements.

During the 2013 fiscal year, the HUD backed mortgage was paid off in full. However, the regulatory agreement on the property extends for many years to come. The mortgage being paid off does open the possibility of renegotiating some of the terms with HUD.
