PUBLIC COMMENT PERIOD FOR ITEMS <u>NOT</u> ON THE AGENDA (not to exceed 15 minutes total) The Board welcomes your input. You may address the Board by completing a speaker slip and giving it to the staff clerk prior to the meeting. At this time, you may address the Board on items that are not on the agenda. Time limit is three minutes. State law does not allow the Board to discuss or take action on issues not on the agenda, except that members of the Board or staff may briefly respond to statements made or questions posed by persons exercising their public testimony rights (Gov. Code Sec. 54954.2). Staff may be asked to follow up on such items.

EXECUTIVE DIRECTOR REPORT

The Executive Director's report is intended to brief the Commission on items, issues, key dates, etc., that do not require specific action, and are not "agendized" as separate items on the HASLO Commission Agenda.

CONSENT AGENDA

A member of the public or a Commissioner may request the Board to pull an item for discussion, clarification, and/or separate action. Pulled items shall be heard at the close of the Consent Agenda unless a majority of the Board chooses another time. The public may comment on any and all items on the Consent Agenda within the three-minute time limit.

All items on the Consent Agenda are adopted by one motion.

RECOMMENDED ACTION: Approve Consent Agenda Items as Presented

| ABSENT: | None |
| <u>STAFF:</u> | Scott Collins, Sandra Bourbon, Michael Burke, Michelle Pedigo, Clover Robinson, and Vicky Culman |

PUBLIC COMMENT:

None.

EXECUTIVE DIRECTOR'S REPORT:

Scott Collins, Executive Director, reported that Morro Bay, Toscano, Shell Beach, Anderson, and the office are due to open this year. PG&E is set to complete the connection of the Morro Bay switch gear on Monday; initially they estimated connection in March or April. Toscano should have the process completed by the end of January. Shell Beach should be completed by May and Anderson by August. We appreciate the patience of the Anderson neighbors. The HASLO office should be completed by early 2025. Cleaver and Clark has closed and construction will start next month. Maxine Lewis will close by Friday and Bridge Street will close early February. Maxine Lewis received funding from by the City and the County allowing the project to close.

Macadero had upgrades to its roof, siding, and painting. Carmel is in the process of decarbonization work. Team Engagement strategy is being implemented by staff.

TCAC deadline has moved to February to avoid closings during the end-of-year holiday season. Arroyo Terrace and Monterey will be submitted at the same time.

Michelle Pedigo has permanently been named Director of Housing Management. She upholds the culture of HASLO and brings a breadth of knowledge to the position. Clover Robinson has taken on Pedigo's former role as Interim Deputy Finance Director. Sandra Bourbon is managing both Resident Services and the Supporting Housing Program.

Regarding polling voters about affordable housing, People's Self-Help Housing, Paso Robles Housing Authority, and HASLO hope to get the poll out before the end of January/early February.

The compensation study will be brought to the board in February or March with any changes retroactive to January.

<u>DISCUSSION ITEMS I</u>:

4. TEAM ENGAGEMENT FINAL REPORT

Collins provided a PowerPoint presentation providing the results of HASLO's team engagement and organizational strategy. Initial Focus was on internal needs and strengthening unity within the organization. The next phase will look outside the organization. Commissioners and staff discussed outside resources and possible social media presence by sites.

There being no further business, the meeting was adjourned at 12:59 p.m.

Respectfully submitted,

Scott Collins, Secretary

Executive Summary Housing Choice Vouchers ("Section 8")

• SEMAP Report

• The closing for PIC was successful for the month of January and the SEMAP report is attached.

• HOTMA Update

- We recently attended a HOTMA update hosted by our software vendor, Yardi. Yardi is making good progress in incorporating the necessary HOTMA changes. However, before any agency can move to HOTMA we need HUD to finish their new portal called HIP. This portal will replace PIC. According to Yardi, HUD still has considerable progress to make before the portal is ready. We will continue to watch for updates from HUD about any potential changes to implementation dates.
- Nan McKay has completed updating their model admin plan for the HOTMA changes. As part of this board package, we are presenting a table with the most significant changes to the admin plan. We won't be able to finalize the new admin plan until HUD completes its software changes. The current software is not capable of incorporating many of the required admin plan updates.
- Staff are attending, and will continue to attend, training to understand all the new requirements.
- NSPIRE Update
 - NSPIRE is HUD's new inspection procedure. Similar to HOTMA, there have been significant delays in being able to implement these procedures. Yardi did mention in their latest update that they thought NSPIRE was much closer to being ready than HOTMA is. A PIH notice dated September 29, 2023, gave all PHA's until October 1, 2024 to implement the new procedures. We will implement sooner if we receive notification from our software vendor that they have the software updated for these procedures.
- Voucher Funding Update
 - Since our HAP reserves were reinstated we have been able to start leasing up some setaside vouchers.
 - We've also begun leasing some regular vouchers in order to replace vouchers lost through attrition. It's important to maintain our leasing levels in order to maximize future funding.
 - Given the uncertainty of the upcoming federal budget, we are holding off on any larger lease-up of vouchers off the waiting list.
 - Attached is a graphical analysis of average family income, average rent to owner, and average HAP shows the predicted results through Jan 2024.
 - There are no significant changes in this report compared to last month's report.
- Emergency Housing and Mainstream Vouchers
 - The deadline for issuing new EHV vouchers was September 30, 2023. Vouchers in this program will continue to decline as people leave the program.
 - HUD has allowed us to start leasing Mainstream vouchers again. We will also be applying for additional Mainstream funding since our current funding is not sufficient to cover the average per unit cost of these vouchers.

Housing Choice Voucher Lease up and Funding Analysis

February 2024

The summary at the top of the page shows the year-to-date leasing activity for our "Regular" Housing Choice Voucher program. The Regular vouchers are comprised of 2,290 general vouchers, 226 Veterans vouchers, and 47 Family Unification/Foster Youth Initiative vouchers for a total of 2,563 available vouchers. In addition, HASLO administers 183 Mainstream and 196 Emergency Housing Vouchers (EHV) that HUD considers as separate stand-alone programs for tracking and funding purposes.

We have yet to received our 2024 funding numbers and may not receive for a couple more months. We are using an estimated 3% inflation factor increase of funding for 2024 based on information we have received from HUD. The goal this year is to have strong leasing numbers while preparing for a potential decrease in funding for 2024.

HUD recently announced funding for additional VASH Vouchers. Our Registration of Interest was accepted and we were invited to officially apply for 20 additional Vouchers.

Our EHV program has been fully leased-up. This program expired in September 2023 and will only provide funding for existing vouchers and will not allow any additional participants.

Dairy Free Lemon Scones

Ingredients:

- 2 cups all-purpose flour
- 1/2 cup sugar
- 3 teaspoons baking powder
- 1 teaspoon salt
- 1/2 cup coconut oil, room temperature
- 2 tablespoons grated lemon zest

1/2 cup refrigerated unsweetened coconut milk TOPPING:

1 tablespoon refrigerated unsweetened coconut milk 1 tablespoon coarse sugar

Directions:

Preheat oven to 375°. In a large bowl, whisk flour, sugar, baking powder and salt. Cut in coconut oil until mixture resembles coarse crumbs. Stir in coconut milk and zest just until moistened.

Turn onto a lightly floured surface; knead gently until dough holds together when pressed. Pat dough into an 7in. circle. Cut into 8 wedges. Place wedges on a greased baking sheet. Brush scones with coconut milk and sprinkle with coarse sugar. Bake until golden brown, 15-20 minutes. Serve warm.

To: HASLO Board of Commissioners From: Sandra Bourbon, Director of Resident Services Re: January 2024

Supportive Housing Program (SHP):

- SHP consists of 6 case managers with 2 of the case managers onsite at Paso Home Key.
- We currently manage 852 units and out of those we provided case management to 139 residents for the month of January.
- We closed 7 cases (one client moved to assisted living)
- The priority for SLO SHP case managers in January was to conduct the initial SHP interview for applicants at Rock View Apartments in Morro Bay.

Outside agencies we collaborated with this month are:

Assurance Wireless RTA Independent Living Resource Center (ILRC) Psychiatric Health Facility (PHF) **Behavioral Health** SLO County Drug and Alcohol Pathpoint **ALF Food Pantry** Meals on Wheels Department of Social Services to include APS, CalFresh and IHSS 5 Cities Homeless Coalition CAPSLO (Head Start/Parent Connection/HEAP) **SLO** Courts Marian Hospital The Link Salvation Army **Jewish Family Services** St. Vincent De Paul TruConnect **SLO County Probation** ECHO Coordinated Entry/HMIS Paso Robles Police Department Non-Emergent CAT Team THMA Tree of Life SLO Food Bank Jack's Helping Hands

People's Self-Help Housing SLO Noor Foundation CHC Importa Tri-Counties Regional Center Family Care Network

Success stories:

Custody arrangement between a father and son Helped family move from an apartment to a house Improved mental health and attendance in parenting classes Connected client with a therapist Assisted in the process of offering 9 families housing at Rock View Financial assistance to prevent eviction Rental and deposit assistance Housekeeping progress

<u>A few challenges</u>: Slow progress Prevention and the cost of home damages due to severe mental illness Residents with active drug addiction Residents with severe mental illness and self-medicating Coordinating services with resident family members

2024 Administrative Plan Changes

Attached is a table of the major changes proposed for the 2024 Administrative Plan (admin plan). The admin plan is the document that guides how HASLO will manage the Housing Choice Voucher (HCV) department. We are not able to finalize the admin plan changes until HUD finalizes all of its guidance and rolls out its new software. Industry experts believe that once HUD finalizes its part they will want us to move quickly to implement the changes. In anticipation of that, we are requesting input from the Board on the major changes now. This way, when HUD is ready, all major issues will already be decided.

Many of these changes are required by federal legislation known as the Housing Opportunity Through Modernization Act of 2016 (HOTMA).

The farthest right column of the table on the next page indicates whether this is a required change or if HASLO has any discretion in its polices on the particular topic. For the policies in which HASLO does have discretion, we used the following principles to drive our recommended decisions:

- 1.) **Promoting self-sufficiency of our clients:** The choice to not conduct interim reexaminations for any increases in earned income is a new option under HOTMA. Implementing this will help clients save income increases rather than immediately paying a higher rent amount. The higher rent will be put in place at the time of their annual reexamination. This may result in short-term increases in HAP spending since the tenant contribution will not be increased as often. We believe this will be offset in the long run by allowing clients to save funds and incentivizing them to earn more income throughout their time on the HCV program. The ultimate goal is to give clients the ability to eventually move off the program and leave the voucher available for someone else.
- 2.) <u>Reducing staff workload:</u> In the past, when federal funding was limited, HUD reduced PHA admin fees rather than making large cuts to HAP funding. The admin fees fund staff salaries and other overhead costs associated with running the HCV program. Given the uncertainty in the current Federal budget year process, our choices reflect that we may have less operating funding available and need to find efficiencies. Choices like allowing self-certifications and limiting interim reexaminations were made with this in mind.

2024 Admin Plan – Policy Change Summary

| Торіс | Prior Policy | New Policy | PHA Discretion |
|---|--|--|--|
| Definition – Foster Adult/Foster Child (HOTMA change) | Uses terms but doesn't provide definitions | Establishes definition for Foster Adult and Foster Child | None |
| Definition – Family (HOTMA change) | Current definition: "Family" is used interchangeably with "Applicant" or "Participant" and can refer to a single-person family. | Revises definition to include a single person who is at least 18, but not over 24 years of age, who has left foster care and is homeless or at risk of being homeless. | None |
| Guests (HASLO change) | Guests limited to 14 consecutive days and 14 cumulative days in 12 months | Guests limited to 14 consecutive and 30 cumulative days in 12 months | The number of days is not regulatory and up to PHA's discretion. The goal is to allow legitimate guests but prevent program abuse by misrepresenting a family member with income as a guest. The prior limit of 14 cumulative days may have been overly restrictive and limited legitimate guests. |
| Temporary Absence (HASLO change) | Temporary absences that are not related to work, medical or other exceptions are limited to 30 days unless granted an extension up to a total of 180 days. | Temporary absences that are not related to work, medical or other exceptions are limited to 90 days unless granted an extension up to a total of 180 days. | The number of days is not regulatory. The 180-day limit is consistent with HUD regulations regarding absences of an entire family. PHA has discretion to choose an appropriate time limit. |
| VASH Income Limit (HASLO change) | Eligibility limited to extremely low income | Allowed to include low 80% income individuals as eligible | Can elect not to allow incomes up to 80%. Previously approved amendment to the admin plan. |
| Asset Limitation – Eligibility (HOTMA change) | N/A | Restricts eligibility if a family owns real property suitable for occupancy or has assets in excess of \$100,000 (cap will increase annually). | None |

| Торіс | Prior Policy | New Policy | PHA Discretion |
|---|---|--|---|
| Consent to Release Information (HOTMA change) | Signed annually | Signed once and in effect until revoked. Revoking consent will result in termination. | PHA can elect not to terminate if consent is revoked, but it would be impractical to allow someone to remain on the program without consent to verify their financial information. |
| Denial of Assistance (HASLO change) | Automatic denial if convicted of manufacturing meth on the premises of federally assisted housing | Automatic denial if convicted of manufacturing meth on any premises. | PHA can elect to deny only if manufacturing took place on the premises of federally assisted housing. Limiting it to federal housing seem arbitrary and not in the best interest of the community. |
| Calculating Annual Income (HOTMA change) | Anticipated income is used for all action types | Anticipated income is used at initial occupancy and interim reexaminations. At annual, the income from the previous 12 months, adjusted for any changes that took place since the last annual, is used. Income from assets is always anticipated income. | None |
| Calculating Annual Income (HOTMA change) | Exclusions for "temporary, nonrecurring, or sporadic income (including gifts)" | Incomes of day laborers, independent contractors, and seasonal workers are all included in income | None |
| Earned Income Disallowance (HOTMA change) | Allowed for earned income disallowance program that phased in increases in earned income over a 24 months period for tenants previously out of work. | New enrollments in EID are not allowed. Families already enrolled may finish out their 24-month period. All EIDs should be done by 12/31/25. | None |
| Student Financial Assistance (HOTMA change) | All types of assistance are treated the same in terms of including them in annual income. For clients under 24 or have no dependent children, all sources are excluded up to the amount of actual costs. For clients over 23 and have a dependent all assistance is excluded. | Creates two types of assistance, each with different requirements. For clients under 24 or have no dependent children, sources of assistance from programs under 479B of the HEA are fully excluded, other sources are excluded up to the amount of actual costs. For clients over 23 and | None |

| Торіс | Prior Policy | New Policy | PHA Discretion |
|--|--|--|---|
| Income From Assets | Passbook rate set in admin | have a dependent all assistance is excluded. **Note that the requirement to take age into consideration is unique to the Section 8 program and not included in Public Housing and Multi Family. The language comes from the annual Appropriations Act and could change from year to year. Rate is set annually by | None |
