CALL TO ORDER

The Regular Meeting of the Housing Authority of the City of San Luis Obispo was called to order on Thursday, June 17, at 12:02 p.m. by Chair Jay C. Beck. Per CA Executive Order N-25-20, the meeting was authorized to be held via teleconferencing and was made accessible to the public telephonically.

ROLL CALL

| ABSENT: | Commissioners Boyer, Crotser |
| STAFF: | Scott Smith, Ken Litzinger, Elaine Archer, Sandra Bourbon, Michael Burke, Michelle Pedigo, and Vicky Culman |

PUBLIC COMMENT:

None.

EXECUTIVE DIRECTOR'S REPORT:

Executive Director Scott Smith said the State of California has announced that it is reopening, and HASLO has not yet. We continue to only be open to the public by appointment, and the main lobby remains closed to walk-ins. With our growth the past 18 months, there is not enough office space to bring everyone back to the current space. Our new office construction project will remedy that problem, as well as the interim office space we occupy during construction. Also, most importantly, OSHA and County Health have employer guidelines that conflict with the governor's re-opening announcement. We have heard that this is a timing issue and we will continue to monitor the County Health Department and OSHA for updates.

Next week is the Housing California conference, which will be held "virtually" this year; both Commissioner Souza and Smith will attend.

HASLO received 156 Emergency Housing Vouchers (EHVs). Elaine Archer, Director of Housing Management, is organizing partners and preparing MOUs. The County Board of Supervisors will approve the Continuum of Care MOU on Tuesday. Our goal is to begin leasing July 1. We have hired Jeanette Trompeter to coordinate media outreach to landlords. The EHVs have a higher payment standard than regular voucher holders because HUD understands it is a more difficult population to house. Additionally, HUD provided supplemental funding which HASLO will use to provide leasing incentives for landlords, such as "signing bonuses".

CONSENT AGENDA:

C1. <u>MINUTES OF THE BOARD OF COMMISSIONERS REGULAR MEETING OF MAY 20,</u> 2021, AND THE SPECIAL MEETING OF JUNE 2, 2021

- C2. <u>HASLO MONTHLY DISBURSEMENT REGISTER (available for review at the meeting)</u>
- C3. HOUSING CHOICE VOUCHER (SECTION 8)
- C4. <u>PROPERTY MANAGEMENT REPORTS</u>
- C5. FAMILY SELF-SUFFICIENCY & RESIDENT SERVICES PROGRAM REPORT
- C6. CONSTRUCTION AND DEVELOPMENT REPORT

Chair Beck noted positively that client income levels are at a pre-pandemic level. He asked if the end of the eviction protection program will cause our clients any concern. Archer is encouraging affected clients to request the emergency funds offered by the State. Smith mentioned that he thought the moratorium would be extended through December. Chair Beck complimented staff for reaching a 92% success rate for self-inspections. Commissioners and staff discussed HAP funding and Project Homekey.

<u>ACTION TAKEN</u>: A motion to approve all Consent Agenda items was made by Commissioner Gillett, seconded by Commissioner Beck, and unanimously approved.

DISCUSSION ITEMS:

D1. <u>HASLO ANNUAL PLAN – REVIEW, CONSIDER, COMMENT, AND APPROVE</u> <u>RESOLUTION NO. 10</u>

The Annual Plan provides HUD with description of how HASLO plans to use the resources provided by HUD during the 12-month period between October 2021 and September 2022. Commissioner Souza, in her capacity as a member of RAB (Resident Advisory Body), was provided an advance copy of the plan in order to provide Smith feedback. Commissioners and staff agreed that section B6. Paragraph 2 should include an update on the Anderson Hotel since this paragraph addresses preserving existing affordable housing. The Commissioners agreed to approve the resolution with that addition.

ACTION TAKEN: A motion to adopt **Resolution No. 10 (2021 Series) Adopting the Housing Authority of San Luis Obispo's Annual Plan**, with the addition of the Anderson Hotel to B6 Paragraph 2 of the Annual Plan, was made by Commissioner Souza, seconded by Commissioner Odenthal, and approved on the following roll call vote:

| AYES: | Commissioners Souza, Odenthal, Beck, Gillett, Steinberg |
|-------------------|---|
| NOES: | None |
| ABSENT: | Commissioners Boyer, Crotser |
| ABSTAINED: | None |

D2. <u>1206 WEST GRAND AVENUE, GROVER BEACH: AUTHORIZATION TO CLOSE</u>

Smith reminded the Commission that we are developing this site in partnership with People's Self-Help Housing (PSHH). It is comprised of two sites: the Grand Avenue site which is privately owned and must close escrow by July 20th, and an adjacent City owned site that the City intends to donate. The title company requests a resolution showing that the Board of Commissioners have approved closing escrow on the Grand Avenue site.

ACTION TAKEN: A motion to adopt <u>Resolution No. 11 (2021 Series)</u> Authorizing the Housing Authority of the City of San Luis Obispo to Close Escrow on 1206 West Grand Avenue,

<u>Grover Beach</u> was made by Commissioner Steinberg, seconded by Commissioner Odenthal, and approved on the following roll call vote:

• Staffing

- A new position, Housing Specialist III, has been created in the department to be dedicated to the EHV Program (intake, housing search assistance, and outreach to landlords) and for handling more complex cases, where investigations or additional assistance may be required to ensure compliance with program requirements
- The department has been expanding, as we incorporate the new mainstream awards from the last year as well as the new Emergency Housing Vouchers

- Emergency Housing Voucher Welcome Home Program
 - The effective date for the new vouchers is July 1st. We have worked with the Continuum of Care to sign the required MOU. In addition, we are signing MOU's with other non-profits and agencies in the community that work with homeless families including Family Resource Centers in the school system, mental and behavioral health department, the shelters and with two Human Trafficking Organizations
 - Initial response with referrals has been very strong and we have started scheduling intake appointments (over 75 referrals so far and we expect that we need at least 300 referrals)
 - \circ $\;$ We are doing a media campaign to promote the EHV program.
 - Initially going with the Welcome Home Program to grab the attention of the public and to give the program an identity
 - Landlord Incentives
 - Please see the attached document that outlines the available incentives for new, returning, and existing landlords and property management companies.
 - We made preliminary estimate of the number of landlords that will qualify for each of the incentives and we will be monitoring actual expenses compared to budgeted throughout the year
 - We carved out money for Damage Claims Insurance Pool
 - This is an incentive that is infrequently used but beneficial to offer
 - We have received \$546,000 which we have allocated to landlord incentives.
 If this funding is not used, we must return the excess to HUD.
 - We are using the 120% payment standards those were approved at the last Board Meeting
 - We are waiting on HUD to work out program changes with the software providers. For example, we will be required to submit vouchers through HUD's PIC-Next Generation (PIC-NG) software, which is being implemented as part of these new vouchers

Housing Choice Voucher Lease up and Funding Analysis

July 2021

Our average HAP trended down slightly this month, but remains consistent overall. We continue to utilize over 100% of our monthly funding to maintain this high level of lease up. We have applied for set-aside funding and are hopeful we will receive additional funding.

Staff is working hard to implement the new Emergency Housing Voucher program effective July 1st. In addition to leasing up the 156 vouchers we were awarded, staff is also working on a plan that includes landlord incentives and tenant services such as security deposit loans and moving assistance.

Our reserves are currently \$1.4 million representing 5.6% of our total 2021 funding. We will keep this in mind as we closely monitor our leasing until we know if further funding will be awarded.

Executive Summary <u>Property & Asset Management</u>

- Key Priorities for the Property Management team continue to be:
 - COVID-19 Related Activities:
 - ✓ The eviction moratorium has been extended again and the State has passed the Covid Tenant Relief Act (CTRA) which we will be learning more about in order to understand the new disclosure and noticing requirements for tenants with past-due balances
 - ✓ The State continues to slowly process the Emergency Rental Assistance Program (ERAP) funds to assist those renters with arrears due to Covid-19. We are actively working with our tenants to apply and are in a holding pattern pending review and approval by the state. We have learned that the State will approve 100% of the arrears (originally it was to be 80%) and that landlords who have tenants with arrears that have subsequently moved out of their unit will be eligible for assistance.
 - Vacancies
 - ✓ SLO Villages continues to be a high priority for filling units as they are renovated.
 - We typically see turnover in June and are working on filling vacancies on a number of properties
 - o Maintenance
 - ✓ Regular work order processing is occurring
 - ✓ We are getting ready to develop the annual inspection calendar for 2021-2022
 - o RAD
 - ✓ We are in the final stages of the project, with the last 2 properties under renovation
 - Community and Family Support
 - Will start to re-engage with tenants as community rooms open and social distancing rules change
 - Paso Home Key
 - ✓ Slowly settling into operations at the property
 - ✓ Have weekly team meetings with ECHO and PSHH
